EVENT GROUP, LLC

January 2010

Greetings from All Phases

Happy New Year from everyone at All Phases Event Group! 2009 proved to be another successful year for All Phases, yielding a wide range of events from **action sports** to **music festivals** and **tours** to **private corporate events**. Though music is still the core of our business, we can produce any type of event, large or small.

Yonder Mountain String Band, New Years Eve 2009

2010 is already shaping up to be an extremely busy year for All Phases. We are very excited to announce our new relationship with Crispin Porter + Bogusky, based in Boulder, Miami and Gothenburg (www.cpbgroup.com).

First on our plate with CP+B is a multi-city activation that will span the country over the course of six months. All Phases will act as an internal resource as part of the CP+B OuterActive Group, assisting in the permitting, production, operations, and technical coordination to execute this spectacular experience. First stop on the tour is Orlando, FL. More info to come...

New Office in Boulder

All Phases is moving our operations to downtown Boulder on February 1st. We are looking forward to our new digs just off the Pearl Street Mall and near the historic Boulder Theater.

1350 Pine St, Suite 3 Boulder, CO 80302

New Director of Business Development

All Phases would like to welcome Brad Mastrine as the newest member of its team. Brad will focus on business development, marketing and client relations.
